

MINISTRY HIGHLIGHTS:

SPRING 2018

1. This Spring has been an exciting one for Crossroads. In early April, we welcomed our long awaited new Executive Director, Walt Zamroz. A longtime advocate for Pro-life, Walt comes to Crossroads with 35 years of teaching Wellness within the public school system. It was his mission to instill biblical thinking concerning human sexuality and healthy relationships, without the ability to reference the Bible. In addition to teaching, Walt also spent 37 years coaching basketball, most of which was dedicated to sports ministry. He has served at Faith Academy, Calvary Baptist School, and Cairn University. He has organized and directed his own sports ministry camps, as well as served with Push the Rock and Fellowship of Christian Athletes. He has also been blessed to have participated in short term missions trips, where sports were used as a vehicle to support missionaries and to share the Gospel. With his passion for our Lord Jesus Christ and his commitment to thinking biblically to protect and promote the sanctity of life, we are excited to see what the Lord has in store for Crossroads in this next chapter of our ministry.

Walt Zamroz

2. April also saw our highly anticipated Fundraising Banquet, "Lifeline to Legacy." Natasha Wallace's testimony exemplified our banquet's theme as she shared how her life had been

Natasha & William

turned around through the ministry and counseling she received at Crossroads eight years ago when she was at a crisis point in her life. What a joy it was to hear both her and her son William share what the Lord has done for them in the intervening years. She and her son both now desire to give back to others who are experiencing a similar crisis in their lives. A true legacy for the future!

Silent Auction

Along with a delicious dinner, we also all got to enjoy a fun silent and live auction, thanks to the generosity of area merchants and individuals. What excitement there was for everyone as the bids kept ratcheting up during the live auction! At the end of the day, thanks to our generous donors, we netted over \$45,000!

3. **Client Story:** "Nina" recently came to the Center to have an ultrasound. She had been a client of ours several years ago, and at that time, had recommitted her life to the Lord. After having experienced multiple heartbreaking miscarriages, she was feeling very anxious about her current pregnancy. Remembering the love and encouragement she had received here, she made an appointment for an ultrasound. During the test, the baby was moving energetically, and on the screen, Nina could even see her baby looking like s/he was waving at her. What a reassurance of life – and what an answer to prayer! We are trusting God for the continued health of her baby, and that Nina will continue to come to Crossroads during the ensuing weeks of her pregnancy.
4. **Change for Life Baby Bottle Campaign.** Every year many of our churches participate in our "Change for Life" campaign, filling up baby bottles with coin, cash and/or checks for the ministry of Crossroads Pregnancy Care. Not only are the baby bottles a great reminder of those who ultimately benefit from our ministry, they also bring in a significant amount of funds that go directly for our women and families who come to the center.

Our Baby Bottles are also a gift that keeps on giving! One of our participating churches uses a cleaning service. During their campaign, two women from the cleaning crew were excited when they heard about the Baby Bottles, and each took one to fill. It turns out that each of them were former Crossroads' clients, and wished to give something back in return for the help they'd received.

5. **Looking Ahead: MARK YOUR CALENDARS!**

Saturday, October 13, 2018, will be our **annual Walk for Life and 5K Run Fundraiser** held at Memorial Park in Quakertown. Once again, some changes are in the works. For one thing, we will be holding the event across the street at the Pavilion. Stay tuned for details!

Finally, we want to thank you for your continued support for the work of Crossroads Pregnancy Care. Lives are being changed forever because of the care and generosity of you and our many ministry partners. **You** take part in each life that is impacted and truly honor the Lord Jesus Christ with each prayer and gift. Thank you for being a blessing, from all of us at Crossroads!

In His service,

A handwritten signature in black ink that reads "Walt P. Zamroz". The signature is written in a cursive style with a large, looping flourish at the end.

Walt Zamroz,
Executive Director
